164	<p>First Aid: we have had a few incidents this year, and it could be important to have first aiders on rides. This is an area where our funds would be well-spent. Sally will investigate availability of first aid courses, especially any oriented towards cycling injuries and health. Possible sources are Cycling UK, British Red Cross, and St John's Ambulance.</p> <p><i>Update 23rd Nov '22: Sally has found Greenbox and Red Cross. Lisa will ask Andrea for input.</i></p> <p><i>Update 28th Nov '22: Andrew emailed Committee: "I had a look at the Green Box first aid, specifically for cyclists, and it looked quite good. £495 for up to 12 people seemed reasonable. I don't know if members would want to spend the full six hours on it, but Green box might be prepared to do a shorter version.</i></p> <p>greenboxfirstaidtraining.co.uk/first-aid-for-cyclists/</p> <p><i>Update 18th Jan '23: Ed will ask Ken Crookes about getting County funding for First Aid Training.</i></p> <p><i>Update 15th Mar '23: Ed says that Nigel said Alton CC got money from East Hants council and Cardiac Rehab organisation. Ken Crookes will talk to Cardiac Rehab, and find out if Hart Council have money for this kind of thing. Ed will ask Nigel to find out where Alton CC got the course from.</i></p>	Sally

Also Gary F and Barry C are ready to be trained and registered. Ed will also discuss with Clive whether his group of friends would be prepared to do more leading, at least for the Tuesday rides.</p> <p><i>Update 15th Mar '23: Ed still to do</i></p>	Ed
